

Top 10 Reasons to Join Forces with SavATree

1. People, people, people! – The exciting, dynamic ever-expanding staff at SavATree is among the best in the industry. Being part of a large, talented team is the most popular reason for joining forces.

2. Back-Up – SavATree arborists turn over their most prized clients to experienced field crews, with full confidence that their vision will be executed with precision.

3. Back-Office – Having a complete professional staff at your disposal allows you to spend your time with clients and on properties, with the peace of mind in knowing that the accounting, routing, regulatory compliance and customer service functions are being handled competently.

4. Amazing Properties – There are many landscapes in our service areas that are so spectacular you have to stop and admire them for their natural beauty. A lot of them are SavATree clients, along with dozens of historical landmarks, botanical gardens and some very beautiful estates.

5. High Visibility – Contemporary marketing and public relations are fast-paced, costly and time consuming. SavATree is one of the most proactive marketers in the tree, shrub and lawn care business, committing to over \$1,000,000 in direct mail, email campaigns, social media, advertising, shows and events each year.

6. Training – Both SavATree and SavaLawn, our lawn care division, have a full range of training opportunities for all levels of staff, including in-house and industry based curriculums.

7. Community Involvement – We take our corporate citizen responsibility seriously! SavATree is a corporate member or sponsor of over fifty organizations throughout the northeast supporting such important functions as historic landmarks, museums, community parks, botanical gardens, arboretums, schools, garden clubs, and professional associations. We were proud to contribute to the reclamation efforts at Ground Zero, and to the restoration of Ellis Island.

8. Cutting Edge – We are always testing new technology in plant health care, lawn care and tree care. We incorporate industry standards as well as patented products and programs, while seeking new methods to provide even more value for our clients.

9. Commitment to the Environment – Whenever possible, we employ natural, botanical solutions to landscape problems, opting for the least intrusive methodology. Our equipment is custom made to allow for these options, and technicians are trained to protect the natural balance on properties we serve.

10. Pride – There is a certain satisfaction that comes from a job well done. When the rush of the day is over, our employees are proud of their work. Our clients are always very pleased, and we know that we did our part to make the world a better place.

The SavATree team shares a passion for quality tree and lawn care as well as the skill and motivation to achieve their goals.
