

Let us help you get a jump on budget season!

SavATree's professional arborists are available to perform landscape inspections you can use to develop your Tree Care Budgets.

Following our inspection, we will provide a detailed list of items, in order of priority, for your consideration – along with their budget impact. This way, you will have budget facts and figures at your fingertips, right when you need them.

Are Your Trees an Asset or a Liability?

SavATree is expert at crafting pro-active multi-year plans that work within budget to reduce liabilities and enhance overall value.

Contact us to schedule budget prep property assessments.

We perform these landscape assessments as part of our proactive service on a complimentary basis, but there is especially high demand for this service as budget season approaches. Please contact us today so we can be sure to fit your properties into our schedule.

Improve Asset Values

Enhancing curb appeal while reducing risks and liabilities is the goal. Our priorities are to maintain and improve safety and aesthetics in order to boost returns on investment.

Risk Factors

The highest priorities during a property assessment:

- ✓ Prune or take down trees that pose a high level of risk, such as dead, dangerous and diseased trees and branches.
- ✓ Address tree roots cracking and heaving over sidewalks and curbs.
- ✓ Prune branches that block road signs and lines of site in parking lots, intersections or near high traffic areas.
- ✓ Prune branches that impede sidewalks and pathways.

Obstruction of Lights and Cameras

- ✓ Provide clearance for building and parking lot lights as well as security cameras.

Building Clearance

- ✓ Prune as needed to protect roofs and buildings and increase air flow to reduce incidence of mold, insects and rodents.

Proactive Tree Health Care Issues

- ✓ Treat for insects and diseases or provide nutrients to maintain and improve tree health in the most cost effective manner. Trees are important to the overall value of the property and increase curb appeal, providing a competitive edge in the marketplace.
